DECLARATION UNDER 37 C.F.R. § 1.47(A) – INVENTOR REFUSES TO SIGN

I, the undersigned Gad Golan, an Israeli citizen of 8 Hohit Street, 45352 Hod Hasharon, Israel, after having been warned to state the truth and only the truth and, that should I not do so, I will be subject to the penalties provided under law, hereby declare as follows:

1. I am a co-inventor with Yuly Galperin, of the invention entitled, Adhesive Composition for Electrical PTC Heating Device, which is the subject of a US patent application, as described above, the specification of which was filed as PCT/IL98/00354 on July 30, 1998.
2. At the time we invented the aforementioned invention, Mr. Galperin was an employee of Body Heat, Ltd., under an employment contract, and receiving a monthly salary.
3. Under the terms of Mr. Galperin's employment contract with Body Heat, Ltd., all of his right, title and interest in the said invention accrued immediately to the said Body Heat, Ltd.
4. In April 1999, Body Heat, Ltd., changed its name to A.T.C.T. ADVANCED THERMAL CHIPS TECHNOLOGIES LTD. ("ATCT"), and registered said change with the Registrar of Companies of the State of Israel.
5. In May 1999, Mr. Galperin voluntarily left his position at ATCT.
6. Shortly thereafter, Mr. Galperin sent a letter to ATCT, in which he claimed that he and not the company was the owner of the rights to said invention.
7. ATCT, is currently engaged in legal proceedings in the civil courts of the State of Israel against Mr. Galperin to establish its title in the said invention.
8. Since May 1999, Mr. Galperin has refused to cooperate in any way in the registering of the intellectual property rights of the said invention by ATCT, and accordingly has refused to sign any of the documents normally signed by an inventor in the registering of the corresponding intellectual property rights.
9. The last known address of Mr. Galperin is 1/8 Froog Street, 58292 Holon, Israel.

Signed this 9 day of April, 2000,
